

**TO: JOYFUL NOISE PARENTS**  
**RE: FALL SEMESTER 2011**  
**DATE: SEPTEMBER 7, 2011**  
**FROM: JULIE FRAZIER**

Welcome back to our returning members and to all the new members. We're excited to begin another wonderful year of music making for the many services we'll be singing at in the coming year. As the youngest members of music ministry, Joyful Noise will most often minister at the 9am Mass (see below) and some other special events. Our rehearsals will be in the choir rehearsal room on Wednesdays from 4:30-5:15pm. Please be sure your child has stopped at the restroom, washed their hands and gotten a drink of water before entering the room. In order for our rehearsals and services run smoothly, parent helpers are needed in a number of areas. Please see and fill-out the parent form if you are able to help. Warm-ups for liturgies are usually ½ hour before the start of the service unless otherwise marked (see below). Joyful Noise has a uniform t-shirt to wear with black bottoms or a skirt, and dark shoes and socks (see t-shirt form to order). For specials events, concert dress will be worn: white tops and black pants or skirt. Thank you again for all your support in the music ministry for our children. We pray this will be a wonderful year of music making for our children and that they may grow in their faith making a *Joyful Noise* to the Lord! In Christ's peace, Julie
